The sessions are free—you don't have to pay them forward.</p> <p>To access this free support, students must first get a referral letter from a GP (not necessarily from their university health service, they can be private as well).</p> <p>A list of psychologists participating in the initiative is available on the government website. Each psychologist has provided information about the languages they speak, their contact details, and their remote therapy availability.</p>	<p><b>More information and the list of psychologists :</b> <a href="https://santepsy.etudiant.gouv.fr/">https://santepsy.etudiant.gouv.fr/</a></p>
